

# 31<sup>st</sup> Street Bridge Replacement Over the C&O Canal

## Notice of Long-Term Detour of 31<sup>st</sup> Street, NW

### 31<sup>st</sup> Street Between M Street, NW and K Street, NW

#### Beginning the Week of June 10, 2019

### Project Information

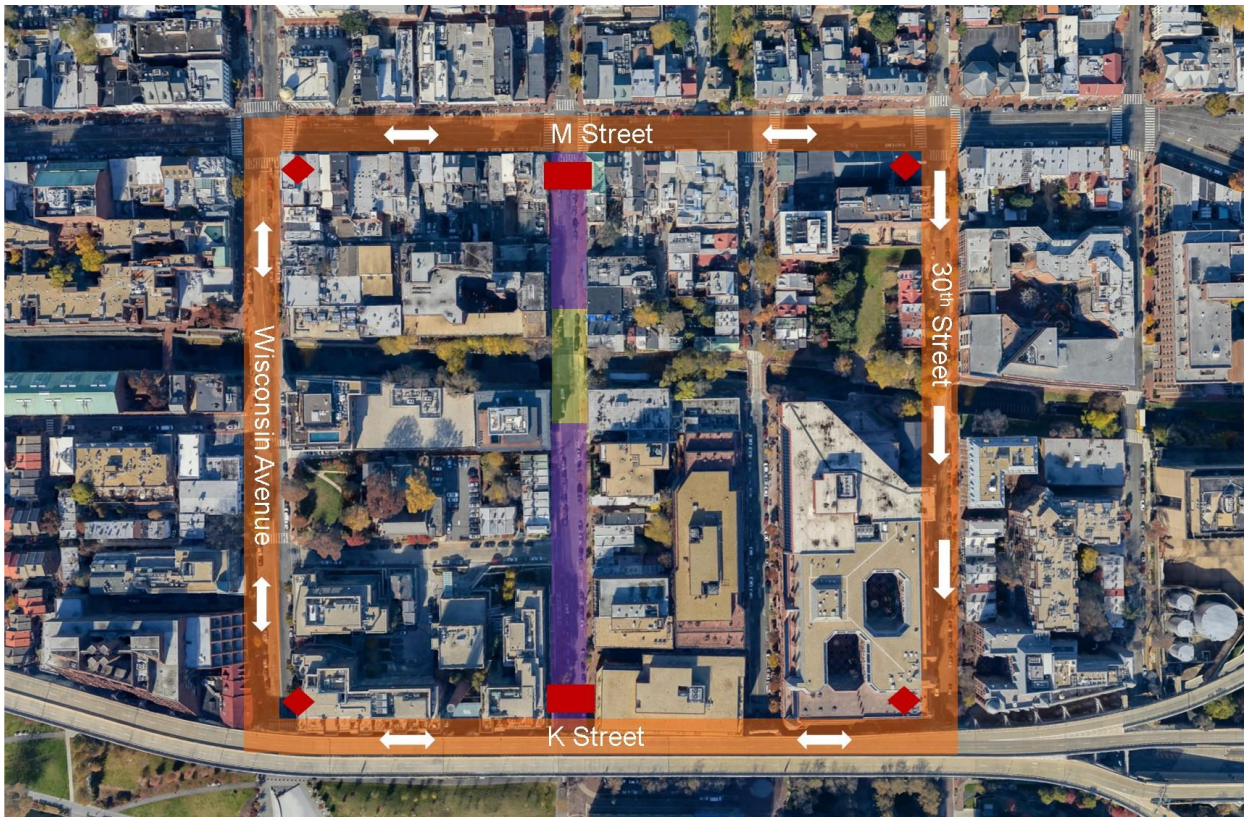

The 31<sup>st</sup> Street Bridge is located in Georgetown and spans the C&O Canal. The bridge is supported on stone masonry abutment walls and an 1867 cast iron multi-column pier. DDOT is replacing the structurally deficient, weight-limited bridge. In the process, the existing historic pier will be removed, restored, and reset.

### Long-Term Detour of 31<sup>st</sup> Street, NW

In order to perform the work, 31<sup>st</sup> Street, NW - between M Street, NW and K Street, NW - will be closed to through vehicular traffic. Local traffic, deliveries, pedestrian, and bike traffic will be maintained at all times.

There will be no parking between South Street, NW to the bridge, and from the bridge to M Street, NW. There will be Residential Permit Parking, Zone 2 from South Street, NW to K Street, NW.

**The detour will start the week of June 10th and remain in place until the project is completed in the Summer of 2020.**
